If it is determined after you drop off your pet, that the pet is ill or has an illness not identified when you dropped off the pet or in the unlikely event that your pet becomes ill or injured, or if your pet has a pre-existing health concern that is aggravated by it stay & requires professional attention, we will attempt to notify you or your representative. If we cannot reach any of you, we will immediately send the pet to Baseline Animal Hospital for treatment and any fees incurred will be your responsibility. In cases we believe to be critical, we may take your pet for treatment first before trying to contact you.

In the event that we cannot reach your or your representative, we will make healthcare decisions for your pet based on the recommendations of available Veterinary professionals. In the case of a life threatening emergency, we have the authority to transport your pet to MarQueen Pet Emergency & Specialty.
